- Email, telephone, or in-person meetings
- Flexible to fit your schedule
- Matches made based on YOUR interests & expertise!

JOIN TODAY!

FIND A MENTOR

Students as well as young and transitioning professionals seeking guidance have the opportunity to connect with other GIS professionals. Get matched based on location and field of interest. URISA membership is not required to participate (but highly encouraged)!

BE A MENTOR

No one became a successful GIS professional without a little help along the way. Becoming a mentor is a flexible and rewarding opportunity to support young and transitioning professionals. Matches are made based on location and you area of expertise.
